Pet Sitter Appreciation Week

March isn't just for leprechauns! It is a very special month for those in the pet sitting industry. POMP RVA is a proud member of Pet Sitters International (PSI). This month, PSI celebrates 29 years! PSI is the worlds leading educational association for professional pet sitters.

“With pet ownership at an all-time high and the need for pet-care services continuing to grow, it’s important for pet parents to understand that they don’t have to rely on friends, neighbors, or family members to care for their pets,” said PSI President Beth Stultz-Hairston. “Whether pet parents are traveling or working long hours at the office or from home, we encourage them to look for qualified, professional pet-care providers who have the business credentials and training to offer top-notch services.”

3 Reasons to Thank Your Professional Pet Sitter

- 1 They provide peace of mind.**
You can work long hours or travel knowing your pets are receiving high-quality, loving care in the comfort of your home.
- 2 They prioritize education.**
Pro pet sitters take advantage of continuing education to stay up to date on the latest in pet health, behavior and care.
- 3 They work demanding schedules.**
Many pet sitters work weekends, holidays and more. Plus, they offer services when it's hot, cold, rain or shine!

This year, POMP RVA is commemorating Professional Pet Sitters Week with a daily surprise for our hard working pet minders and by donating a percentage of this weeks sales to the Richmond Animal League.

Bremo Pharmacy

Did you know that Bremo Pharmacy can help with your pets medications? They can! Bremo is a compounding pharmacy that can help by re-flavoring your pet's medication, offering commercially manufactured medication in smaller doses, turning it into a topical cream, and by compounding it without the addition of potential allergens. If your pet is in need, give them a call to see what all they can do for you!
